JPF...

- has been conducting humanitarian aid projects in conflict-affected areas such as South Sudan, North Sri Lanka, and Iraq.
- has been responding to the flood disaster in the Philippines (September 2009), the earthquake in Indonesia Padang (September 2009), and the earthquake in Chile (February 2010).
- responded to the Haiti earthquake the day after it occurred in January 2010, and continues to be engaged in conducting projects.
- is launching a humanitarian aid project worth 1.6 billion yen to Afghanistan and Pakistan.

Children overcome the misery by the earthquake in Indonesia and their smile is back.
