Summary of donation to Japan Platform

As of 12 March, 2012

Total Amount : 6,809,634,014 yen
Thank you very much for your support.

Grant to projects operated by JPF member NGOs, which is the core contents of JPFs North East Japan Earthquake Relief Program.
56 projects has been operated until now.
(2 projects operated by JPF secretariat in the field are included.)

Grant to projects mainly implemented by non-JPF member NGO. Up to 7th application is already done and currently the 8th round is under review.
The 9th application round will be in mid May 2012.
