

Your Continued Support to Japan Platform is Greatly Appreciated

Thank you for your generous support of Japan Platform (JPF). Crises around the world resulting from conflicts to climate change are growing more severe. Japan has also been struck by a series of disasters like earthquakes and torrential rains. As the needs for assistance continue to diversify each year, JPF provides emergency assistance by listening closely to the people in the affected communities. It is the unwavering support of each and every one of you that allows us to continue this work without pause. As we celebrate our 25th anniversary, we are committed to using our experiences to stand with those in difficult circumstances, moving together one step at a time toward a brighter future. We deeply appreciate your continued kindness.

Regular Donations

For Individuals

● Monthly Supporter

This is a way to support us with as little as 1,000 yen per month. Your monthly donation allows us to deliver aid more quickly and continuously to those affected by disasters and humanitarian crises.

For Businesses and Organizations

● Supporting Member

We are looking for supporting members to lead our disaster recovery efforts. You can support us with as little as 50,000 yen per year, and your company name and logo will be displayed on our website.

General Donations

● General Donations

You can donate anytime. Your donation will be used for all JPF activities including needs assessment and emergency support in the event of a disaster or conflict.

● Donate in Other Ways

There are many ways to support us, such as donating using points or through various external websites.

● Donation through bequest or inheritance

You can donate a portion of your estate or inheritance from your family member for humanitarian relief efforts.

- JPF is accredited as a "Certified Non-Profit Organization" by the Tokyo Metropolitan Government. Donations to JPF are eligible for tax deductions and other tax benefits.
- There are also other ways to make a donation to a particular aid program. Please visit our website for more details.

Who we are?

Platform for civil society to realize collaboration among diverse partners to deliver Japan's aid

Japan Platform (JPF) was established in 2000 as an equal partnership of NGOs, businesses, and government to deliver emergency humanitarian assistance.

JPF works as a platform for civil society, during both emergency and non-emergency times, for rich collaboration among diverse people including these three parties as well as individuals who support our work. We swiftly and effectively deliver support from Japan to victims of natural disasters both domestically and internationally as well as refugees and internally displaced persons due to conflicts.

Our Vision

To expand Japanese assistance globally and create a world where all individuals can open a path to the future.

Cooperation for effective assistance

Assembling the wisdom of NGOs, business communities, the government of Japan, and intellectuals, and forming a platform to practice effective operation to provide sustainable and optimal assistance to beneficiaries.

Support for the self-reliance of affected people

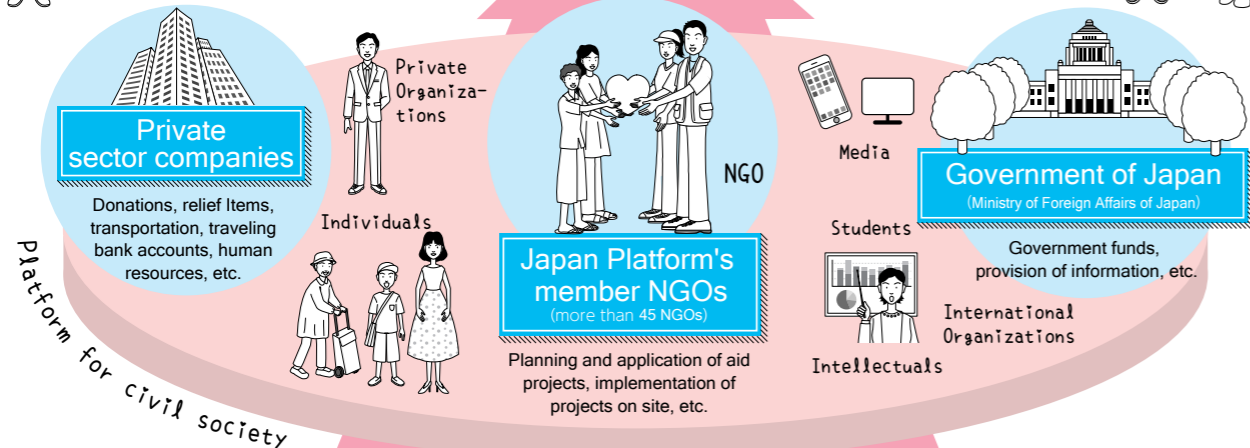

Building a society where people from different backgrounds can live together in the spirit of coexistence and self-reliance.

Leadership for NGO activities in humanitarian assistance

Playing a central role domestically and internationally to achieve and to promote what Japanese NGO aid ought to be.

Leave No One Behind People who need aid

(People affected by natural disasters, refugees, internally displaced persons due to conflicts)

General Assembly	Approvals and decisions for JPF's operations and program policies, assessment of project proposals, evaluations.
Board of Directors	Project Examination Committee / Project Examination Subcommittee
Standing Committee	Program Strategy Meeting

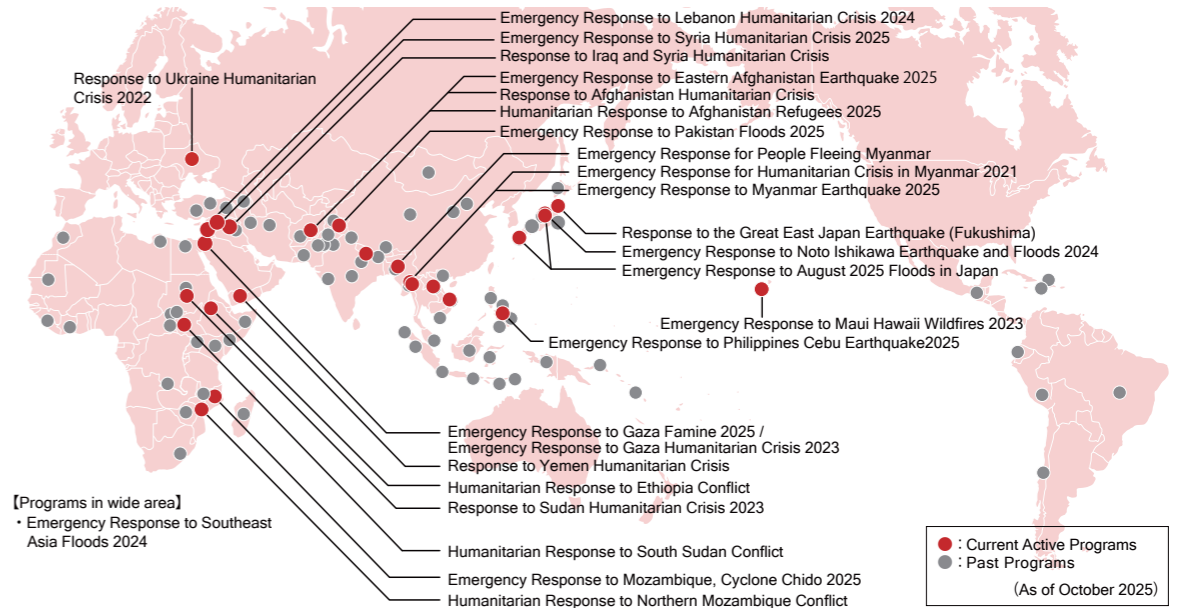

Secretariat The following duties will be carried out on a daily basis while coordinating the collaboration of all parties on the platform and delivering assistance to those in need.

Planning and operations, monitoring and evaluation of the funding programs (MEAL), NGO capacity building, grant provision, fundraising and coordination, public relations, cooperation promotion, and organizational governance.

Our programs

Japanese emergency humanitarian aid in line with local conditions and people's needs reaching destinations throughout the world

Japan Platform has supported humanitarian aid activities of more than 45 member NGOs, each with its own set of diverse strengths in areas of support and regions of activity. Based on local conditions and people's needs, we have delivered assistance to more than 65 nations and regions through our over 2,400 projects, with a total financial contribution exceeding 96.7 billion yen. We have built a reputation based on trust through cooperation among our member NGOs and accountability for our activities.
