Our Vision
To expand Japanese assistance globally
and create a world where all individuals can open a path to the future.

1. Cooperation for effective assistance
   - Supporting the self-reliance of affected people
   - Leadership for NGO activities in humanitarian assistance

Japan Platform brings together NGOs, governments, civil society, and private sector in Japan as equal partners in order to deliver humanitarian assistance.

Donating to aid in Fukushima area

Your Regular Support to Japan Platform is Greatly Appreciated

At Japan Platform (JP), our activities are supported by your generous donations.

1. Corporate and Organizational Support Membership
   - We are seeking Corporate and Organizational Support Members who can support our vision and actions with regular contributions. Corporate and Organizational Support Members have a proud history of supporting Japan Platform’s global relief operations.

2. Monthly Supporter Program for Our Individual Supporters
   - Starting from 50 yen per day, your disaster relief and humanitarian aid contribution will make an immediate impact on the lives of those in need of all ages, both at home and abroad. Our Children’s International School in Nepal is at risk of closure in the future. We ask individual supporters to give regularly so we can do the best for future disaster even if we cannot predict when exactly it will be.

Refugees of Armed Conflicts, Affected people of Natural Disasters
Japanese emergency humanitarian aid reaching destinations throughout the world

Japan Platform (JPF) delivers prompt and effective emergency humanitarian aid to affected people of natural disasters and those who have been displaced by conflicts as results of conflict all over the world. Since our foundation in 2000, we have implemented over 1,400 emergency humanitarian aid projects totaling 54 billion yen in 47 countries and areas. Our major concerns are Natural Disasters, North Korea, and Cholera in Nepal. JPF has a mission to help those in need and to contribute to the promotion of peace and human rights for vulnerable people in the world.

South Sudan: Humanitarian Response to South Sudan Conflict, June 2016 - JPF has been providing emergency aid to South Sudanese IDPs since 2012, mainly through the following activities: water and sanitation facilities; provision of ORS and hygiene kits; conducting livelihood activities and building shelter; providing food aid; and maintaining a two-year program to provide assistance in schools, local hospitals, schools, and orphanages.

Palestine: Humanitarian assistance to Occupied Palestinian Territory August 2015 - Large-scale military crimes committed in Gaza as part of the recent Israeli military operation in Gaza in July and August of 2014, JPF has been providing emergency aid to the Gazans who have faced a difficult situation with electricity shortages, lack of heat, and the shortage of food. JPF has been providing electricity, food, and medical aid to the Gazans.

Syria: Humanitarian aid, November 2012 - In the fifth year of the humanitarian crisis in Syria, JPF has been providing emergency aid to those who have been affected by the conflict. JPF began its emergency aid activities on March 30, 2015, and has been providing medical and educational assistance, as well as providing emergency aid to IDPs. JPF has been providing medical and educational assistance, as well as providing emergency aid to IDPs. JPF has been providing medical and educational assistance, as well as providing emergency aid to IDPs.
**NGO Unit (JPF member NGOs)**

We coordinate and share information with our member NGOs, each of whom has its own expertise and strengths, and together we implement programs in response to the needs of disaster victims and refugees.
